ROCCOSHIELD
ANTI-VANDAL FURNITURE

Built for the Toughest Care.
Designed for Total Control.

Meet the RoccoShield FlexGuard mattress: engineered for extreme hygiene and built to withstand the toughest environments. Fully encased in our signature FlexGuard coating, this mattress is seamless, liquid-proof, tear-resistant, and vandal-proof. No stitching. No pressure points. Just one solid, reinforced outer layer designed for maximum abuse resistance.

Perfect for high-security facilities, psychiatric care, and intensive medical environments, where reliability isn't optional, but essential.

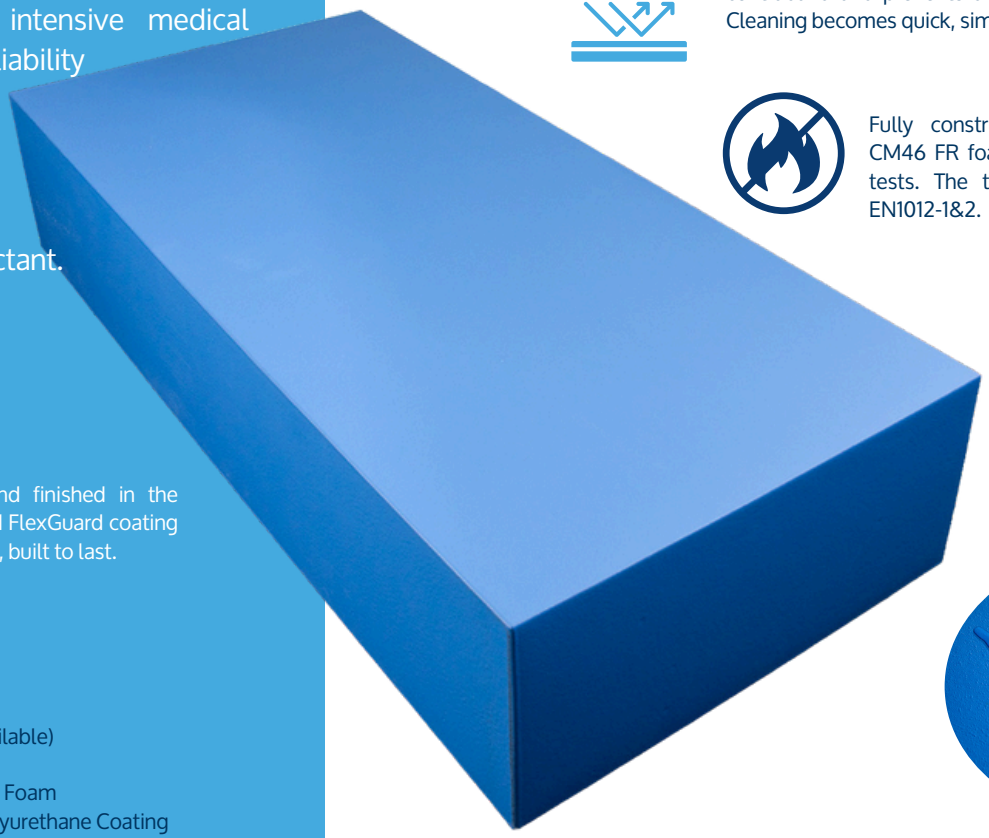

Also super easy to clean with a wipe and desinfectant.

- Extremely Durable
- Custom-Made Possibilities
- Fully constructed from foam

RoccoShield
FlexGuard Seclusion Mattress

The seamless design eliminates hiding spots for contraband and prevents dirt or fluids from seeping in. Cleaning becomes quick, simple, and hygienic.

Fully constructed from high-resilience CM46 FR foam that comply with CRIB5 tests. The top layer has also passed EN1012-1&2.

LOCALLY MADE

Precision-cut in Belgium and finished in the Netherlands with our rugged FlexGuard coating — a regional quality product, built to last.
